Answer

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT

(DR. MAHENDRA NATH PANDEY)

(a) & (b) : The premier technical and management institutes in the country e.g. Indian Institutes of Technology (IITs), Indian Institutes of Information Technology (IIITs), National Institutes of Technology (NITs) and Indian Institutes of Management (IIMs) and AICTE approved technical and management institutes are imparting professional courses to the students for providing employment opportunities. The details of pass percentage from these premier institutions and of getting employment are at annexure I-III.

(c) to (e): Central Board of Secondary Education (CBSE) does not offer vocational course in Green Building, solar technology, water resource management and organic agriculture as of now. However CBSE offers Horticulture as a vocational subject and Agriculture as an academic elective at Senior Secondary level. Pandit Sunderlal Sharma Central Institute of Vocational Education, Bhopalâ€”a constituent unit of the NCERT, has the mandate to develop curricula and instructional materials for new vocational courses
